Summer Staff For Adventure Based Christian Camp

Blue Bronna Wilderness Camp exists to share the Gospel of Jesus Christ in a wilderness setting. We are located southwest of Longview, AB in the Rocky Mountains.

We have two facilities: Willow Creek which is our resident camp in the foothills and Coat Creek which is in the mountains.

Programs include: Kids Camps, Teen Camps - Horsemanship, Hiking Base, Climbing Camp, Survivor and Photography camps, Family Camps (Special Needs Family Camp, Father Daughter and Mother Daughter Horse Camps, and Fly Fishing), plus rental groups from Teen Challenge, Youth For Christ and other such groups that work with the homeless, troubled youth or folks out of prison.

We are a small camp with 25 campers per session and 20 staff. Staff rotate between the two sites and have a hand in all that we do. Even though they may come as a Counselor or Wrangler, they will at times be called upon to help in other areas of the camp.

Activities include: horseback riding, pack trips, rock climbing, canoeing, mountain hiking, archery, games, God Talks, fun!!.
